LINGERIE GUIDE

Baffled by basques and babydolls? Spiral into confusion when confronted with a corset?

Babydoll

We love these glamorous bottom-skimming dresses. Accentuating curves with a little extra coverage, they tease in sheer lace, romantic ruffles and silky sumptuousness - a pulse-quickenning essential.

Basque

A corsetry classic, this killer curves bodice creates hourglass perfection. Contouring the waistline and streamlining the hips - control your look with criss-cross lacing and hook and eye fastenings.

Bikini style-knickers

Bikini briefs are stylish classics great for every day. Cut low on the hip, gently scooped at the front and with narrow, feminine sides, this flattering style offers great coverage over the bottom.

Body Suit

These fabulous all-in-ones work wonders for that sexy seamless look, we love them in sultry lace and sheer mesh. The body is the perfect garment when worn alone for a powerful boudoir statement.

Chemise

Incredibly chic, our naughty nightdresses come in silky fabrics or crisp cottons to accentuate their seductive look. Sometimes long, sometimes short - they are always flirtatious and super-glamorous.

Flashes

These cheeky little tabs are found on suspender belts, babydolls and briefs to hold up your stockings. Concealed behind luxe ribbons they hook onto your stockings holding everything in place.

French knickers

The fabulously named French knickers set hearts racing. We love this cheeky and flattering style which flutters across your bottom offering seductive coverage with a flirty hint of je ne sais quoi.

Suspenders

seductive suspender belt is worn over your briefs or thong either on the waist or low on the hip. The little suspender flashes off the belt are what attach and hold up your stockings.

Teddy

A cute all-in-one, taking a camisole and flirty shorts, teddies are the perfect chemise alternative. Usually in slinky fabrics, we love this vintage-look style that is perfect for boudoir teasing.

Thong

The thong looks like a brief but is cut away at the back to reveal plenty of bottom. Undoubtedly the cheekiest brief, thongs are a sexy style offering a seamless look under figure-hugging clothes.
